

(No One Left Behind)

Our Mission is to help Veterans on a one-on-one basis. We are determined to help those Veterans that are fighting to help themselves but struggle to overcome obstacles.

There are limited resources to help our Veterans and **PALLBEARERS MC** with our community and other supporters, will give a hand up, not a handout, to all Veterans that need and deserve an opportunity to improve their quality of life.

PALLBEARERS MC will continue to bridge the gap and work towards developing community partners and other MC Clubs. We are well known and respected in our community as a 501(c)(3) non-profit organization assisting Veterans.

PALLBEARERS MC will help those veterans while they are here and carry them to their final resting place.

For Veterans who have passed

Riverside Cemetery located in Rochester, New York has hundreds of Veterans buried there that currently do not have headstones. We work diligently to search for the family member of the deceased in order to get the families approval to place the Veterans headstone. Our ultimate goal is to have each and every one of these Veterans recognized by placing their headstone.

Each year on Memorial Day Weekend Pallbearers MC coordinates volunteers from the community to join them in cleaning, trimming and placing flags on the Veterans headstones in honor of their service.

Pallbearers MC has developed a fund to help those families who are unable to pay for the expense of placing a headstone throughout the region.

Provide an Honor Guard and transport Veterans to their final resting place.
